

And the
award
goes to...

This past summer, close to one hundred lucky readers received “beauty bags” chock-filled with products for them to try and review for H2O Magazine’s 2nd Annual Beauty Awards. From anti-aging creams to concealers, shampoos to lip plumpers, we received thousands of products. After a long wait, the results are in. (Please note: in categories where it was a close scoring, we have provided first and second place winner information.)

What readers had to say about
2008’s “best of the best!”
